## THIS PROGRAM COVERS

1

### INITIAL ASSESSMENT

We'll start by understanding your values and priorities as well as your personality, non-negotiables, and commitment. An essential part of this phase is Self-awareness, Conscious communication, Personal life and Work balance.

2

### SET UP CLEAR GOALS & DEFINE AN OUTCOME

Let go of the past and get clear about who you are and what you want from a satisfying professional and personal life.

3

### RESEARCH

Explore, compare and analyse your findings to understand the level of dedication this phase of the process needs.

4

### CREATE A COMPELLING VISSION

Identify what success and rewards look like and take small consistent steps towards them.

5

### STRATEGISE A SHORT AND LONG BULLET-PROFF ACTION PLAN

Use specific, measurable and achievable timely goals.
